

## **Consultation Codes**

In accordance with the Division of Medicaid and Medical Assistance (DMMA) provider notice dated 12/31/09 addressing coverage of inpatient and outpatient/office consultation codes, Delaware Physicians Care will no longer accept or cover inpatient and outpatient/office consultation codes for dates of service January 1, 2010 and after, consistent with the Centers for Medicare and Medicaid Services (CMS) guidelines.

In lieu of billing a consultation code, providers should bill the Evaluation and Management (E/M) code appropriate for the service provided.
